To Whom It May Concern: .

My name is Barbara Hedgespeth

I'm writing to inform you about the Manager (Ms. Henry) of this apartment building my mother lives in at 2 Nevada St. apt. #6N Newark, New Jersey 07102.

Well one day me and my son got on the elevator and the Manager was on it too she said this elevator is going up I said I know she said your not suppose to visit others. I said I didn't know that.

She ask what floor am I going to I told her the 16th floor she I said what floor you coming from I said the 6th floor, but she ask what floor I was going to. Anyway the person I was going to see wasn't home, so I went back down to my mother's 6N.

Two days later I'm getting off the elevator going to sign my name out. When she approach me in an unprofessional way saying and this lady right here her mother lives in apt. 6N and she likes to wander and I always do that and I said no I don't.

And then she stated that I might have got someone to help me before , but I can get whoever I want this time I wouldn't be so lucky she guarantee referring to something that happened over a year ago. Just like she tell others not to park in the "NO PARKING" zone and she parks there herself.

She really needs to learn how to talk to people with respect like their human being not dogs. I'm bringing this to your attention so that you can be aware in case she tries to harass me because so far everytime she sees me she she has nothing positive to say it's always something negative.

I don't know what's her problem she seems to have issues. Putting it mildly she tries to run this place like some prison. You can reach me at 973-318-7685 or 973- 424 -1377 between 9:30-6:30pm

P.S. This is the type of notes
she sends to the ELDERLY
TENTANTS. This is a COPY.

Sincerely,

Ms. Barbara Hedgespeth
